Austin Public Library Cards

Last year during student registration, parents were able to select whether they wanted their child to have a public library card. The teachers received them last week. It looks like a regular sheet of paper, but on the bottom you will find the card, which punches out. All of the instructions are included on the piece of paper as well.

Library Books

All K-5th grade students check out library books. Please encourage reading for pleasure 20-40 min daily. K and 1st grade students received a ninja reading bag to protect their books. Please help your little ones keep up with their book and bag (replacement bags will be \$1). Teachers should let you know when to send the books back weekly, so that your children can check out new books.
